

# Virtual screening & discussion «Picture a Scientist»

Featuring geologist Jane Willenbring, chemist Raychelle Burks, and biologist Nancy Hopkins, the film brings diversity in science into sharp view at a critical time.

Sabine Höfler and Joel Schaad (Office for gender equality) will discuss the film with researchers at the University of Bern.

The link for the film and the discussion will be made available upon registration.

Film available  
19 to 21 January 2021

Discussion  
21 January 2021, 5 pm
